Dear Parent/Carer

Friday 24th June 2016

I write to thank everyone who was involved in last weekend's **Brickshire Lego event**, which was organised by Mr Veltman, Matthew's dad. I had the pleasure of being able to visit on the Saturday morning and was so impressed with what was on offer for children to do, the fabulous *Lego* displays and the wonderful café, which was run by Mrs Veltman and Mrs Davison. I would like to thank the many parents and staff who gave up their time to support such a successful event. There were literally hundreds of people on the premises, children building with *Lego*, playing football, learning archery with Mr Wilford and looking around the farm with Mrs Coates and the other staff. This was truly a community event and one which may have raised close to £5000.00, my thanks to all involved.

Secondary sports day is on Monday 27th June 2016 at Catterick Athletic Stadium on Leyburn Road starting at 10am and ending around 2pm, this is always an excellent occasion and an opportunity to support your child in the many sporting events which they will be taking part in. Please could you ensure that they all wear the correct sports clothing and make every effort to come along and join in, the stands provide sheltered seating and some parents even bring a picnic!

Next Friday 1st July is our **Year 11 pupils' leavers day**, the last day of their schooling and we celebrate this with a special assembly for them on that day, which starts at 2.30pm. We invite parents of year 11 pupils to join this special assembly to celebrate their achievements over the years and to formally say good bye.

Activity week starts on the 4th July 2016, please can you make sure that we have up to date contact details for you and that you have paid the relevant amount of money for the activities you have chosen.

I look forward to seeing as many of you as possible over the next few weeks.

Yours sincerely,

Jonathan Tearle, Headteacher
