## What is FUSE?

FUSE is a high quality inclusive youth theatre delivered by CYC's professional theatre artists. FUSE aims to provide opportunities for SEND and non-SEND young people to come together to take part in theatre workshops which lead to a timely performances.

FUSE strives to provide inclusive opportunities for all young people to meet, work, form positive relationships and gain skills through participation in professional theatre making and performance.

## The project aims to:

Increase theatre practice, skills, confidence and self-esteem; provides high quality experiences through workshops, performances; promotes communication and group work skills.  
Fuse brings together young people with different needs and provides a safe space to work and build positive relationships.

"Helps me communicate, can give my own opinions and make new friends" (Young Person)

"At first I was worried, now I'm happy" (Young Person)

"Brilliant. One of the best things Alex has ever done and one that he has really enjoyed and looked forward to." (Parent)

LOTTERY FUNDED
