

Long Term Plan – Expressive Arts – 2018-2019

Autumn		Spring		Summer	
Sculpture	Drama	Dance	Sculpture	Drama	Dance
Music – themes and mindfulness		Music – themes and mindfulness		Music – themes and mindfulness	

There will be the forming of a Secondary Department Choir for which auditions will be held. The rehearsals may take up Expressive Arts time or be held at different times.

There is an introduction sheet for each student to complete about the types of learning and exploration they would like to do in each area. This will form the themes for your medium term and short term planning.

There is an assortment of resources to initiate ideas. Progress will be monitored using self-esteem measures and SALT progress.
