

Mowbray School – Literacy & Numeracy Year 7 Catch up Premium 2016/17

This document explains how the school to used its allocation of funding, called the Literacy & Numeracy Year 7 Catch up premium. This fund is spent for the educational benefit of pupils in Year 7, during 2016/17 academic year this school was allocated £10,000.00 for 22 pupils.

The money has been allocated to provide the following;

Additional pupil support provided by staff

- Maths and numeracy intervention support to individual pupils
- English and literacy intervention support to individual pupils, including reading intervention.
- LASS memory skills assessments
- Enhanced in class staffing
- Closing the gap support, using Sumdog for Maths.

This support and results of these interventions are documented by staff involved, who also monitor progress.

Parent liaison officer

Our parent liaison officers have worked with specific families visiting them at home when pupil's welfare and attendance has been a concern, this support is documented by staff involved.

Enhanced opportunities

- Pony club-lunchtimes
- Activity week in July 2017
- Residential trips
- Summer holiday scheme
- Cultural experiences- theatre trips & Cinema trips
