

# Mowbray School Bedale Primary Semi-Formal Newsletter

This term we have once again had to jump whole heartedly into home learning. We are so very proud of all our pupils who have adjusted to both learning at home and learning in bubbles in school. We are happy to welcome back all pupils and look forward to the Summer Term altogether. Children are dealing with lots of changes and have spent time getting back into routine, practicing life skills and working on their communication!

Here are some photos of all their learning!

## Spring Term STAR Pupil

Nominees for STAR of the term are;

2JD - **Oscar Bogojevic**, for improved use of Clicker to make requests.

1OF - **Leo Collins** for showing super listening skills by following one step instructions; doing focused learning tasks for up to 5 minutes and learning to use the toilet independently.

2NG - **Libby Donnelly-Atkins** for working hard on her communication and sharing lots of new words with us.

IHW - **Sienna Smith** for excellent communication and settling into school so well.

The **WINNER** is **OSCAR**  
Does your child love Clicker too?

Rocco Zecca, Michael Zecca's Dad in Primary has been running 28 Half Marathons in 28 Days during February. This was to raise money for Mowbray!

His go funding page alone raised a over £10,000 for our plans to build a Rebound Therapy Centre. We are very excited at the prospect of having a rebound centre, this will be a great addition to school and will support each and every child!

A big thankyou to Mrs Howell this term for organising the Mowbray Movers miles this term. Over the past 6 weeks we have walked an incredible 3,058 miles TOGETHER! Our final destination was the Abu Simbel Temples in Egypt, which is a UNESCO World Heritage Site.

I would like to mention some important pupils who added massively to this target in our pathway. **Riley Gilbank-Goodall** in Miss Faith's class walked 63.58 miles towards the walking challenge during the 6 weeks.

**William Whitehead** in Mrs Wilkinson's class completed 8000 steps in one week without his buggy. Incredible achievements!
